Goals

How to improve airline services?

What's the most important features?

Who are the most satisfied customers?

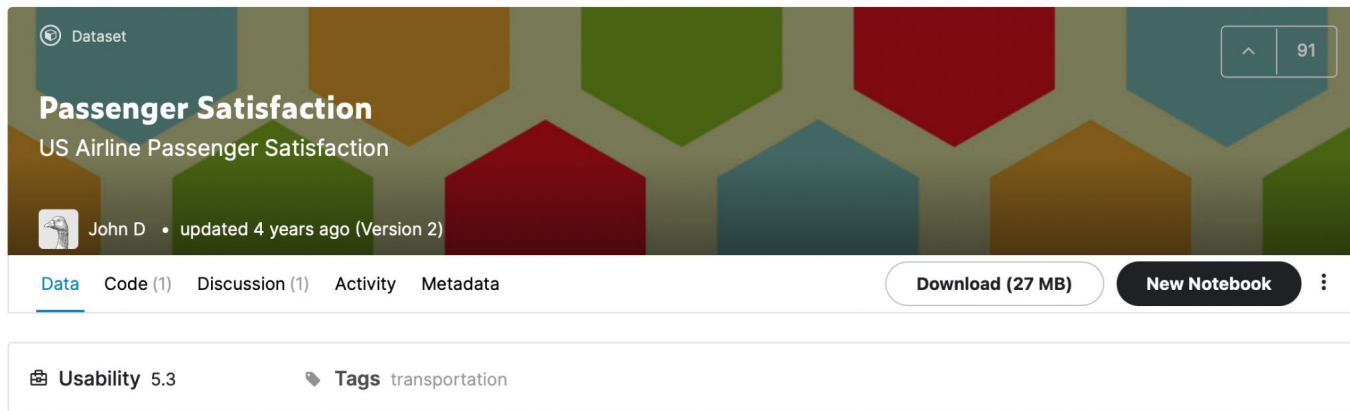

How to improve satisfaction?

Predict Overall Satisfaction depending on other features

THE DATASET

Source

<https://www.kaggle.com/datasets/johnddddd/customer-satisfaction>

The screenshot shows the Kaggle dataset page for "Passenger Satisfaction" by John D. The header features a "Dataset" label and a hexagonal pattern background. The title "Passenger Satisfaction" is prominently displayed, followed by the subtitle "US Airline Passenger Satisfaction". Below this, the creator's name "John D" and the update information "updated 4 years ago (Version 2)" are shown. A navigation bar includes tabs for "Data", "Code (1)", "Discussion (1)", "Activity", and "Metadata". On the right side of the navigation bar, there are buttons for "Download (27 MB)" and "New Notebook", along with a vertical ellipsis menu. At the bottom, a section displays the "Usability 5.3" score and the "Tags" section with the tag "transportation".
